BREAKING NEWS

ANNUAL GENERAL MEETING

We are doing things a bit different this year. The AGM will be held on the 2nd of September at the YCW Football Club. Thanks to our outstanding fundraising this year, there will be no cost for families on the night. It is mandatory for 1 parent from each family to attend the AGM. Please inform your coach or email us the name of the parent/s attending. You must let us know the name of the parent/s attending so we can make sure every family is involved. We will follow up on parents who do not notify us. Information is at the end of the newsletter and will be provided to all members multiple times leading up to the AGM.

At the AGM every position becomes vacant and positions can be obtained by anyone involved in our club. Nomination forms to be provided to all members soon. The positions that we have for the 2016 season are as follows:

President
Vice-President
Treasurer
Secretary
Registrar
Marketing/Social Media Manager
Coaches Supervisor

Umpires Supervisor
Uniform Manager
Fundraising Manager
Events manager
Equipment Manager
General Committee

PRESENTATION NIGHT

Presentation Night will be held at the YCW Football Club on Saturday the 12th of September. We are doing presentation night a bit different this year where the Annual General Meeting will be held prior to presentation night. The invitation is at the end of the newsletter. You can RSVP by informing your coach or by email.

LOST ITEMS REMINDER

Recently we have had hoodies, drink bottles and more uniform items left behind or gone missing. This is just a friendly reminder that you need to ensure you label your uniform and drink bottles with your name. This way if it does get left behind, we know who to return it to. We have an amazing uniform and we would love to see you wearing all of your full club uniform every Saturday.

COACHES THANK-YOU COLLECTION

As we are leading into finals for most teams and the last half a dozen games for our U/11s, we are beginning to start the collection for coaches end of year presents. Our coaches put in a great deal of effort voluntarily each week so what better way to say thankyou than a small gift from the whole team at the end of the season. We are asking the team managers to begin collecting \$10 from each player which they will then purchase a present on behalf of the team. Senior teams you can do this yourselves we're sure!! Team managers please mark off which players you have received money from as you receive it.

GOOD-BYE AND GOOD LUCK

Earlier this year we farewelled Camille Hallett following her resignation. Camille became involved with the club as a player in 1993 & began coaching in 1994. In 2003 Camille joined the Committee as Assistant Coaches Supervisor holding this position until 2009. In 2007 Camille was awarded a life membership of our club & became Coaching Supervisor in 2010. Coaching was her passion, teaching the skills of netball, encouraging, supporting & achieving our goals. Numerous involvement in premierships throughout the years were highlights. We are extremely grateful & appreciative for the time, commitment, support & the hours voluntarily given at training & Saturdays by Camille 20 years later. Always ready to put up her hand whether it be coaching another team, taking team photos, compiling the gold book, the list is endless. Camille has been an instrumental asset to our club & is sadly missed & we wish her every happiness.

We have also farewelled Maree Ryan who served as a general committee member for many years and Cassie Heward who served as a general committee member then taking on the monumental role of secretary after Vanessa's resignation. Cassie was lastly assisting Brigitte transition into her new role of secretary. Maree, Cassie and Camille were all actively involved in making our club what it is today. We once again thank them all for the service on the YCW Netball Club Committee.

PRESIDENTS REPORT

Jo Matthews

The end of the season is near so it's time for all players to focus and do their very best each and every week and most of all enjoy the game! All players need to remember to listen to their coaches and work hard at training. Our wonderful coaches are doing a fantastic job this season and I thank all of them on behalf of the YCW family for giving so much of themselves to our club.

The finals are just around the corner and with such a great representation of our teams in the top four throughout the Saturday competition, I think that this will be a great season for YCW. Just remember that it is only a game and most of all it's not all about the score at the end of the game. Good luck to all teams! WE GOT THIS YCW!!!!

UNIFORMS

Kerry Cooper

Plenty of Hoodies in stock! Make sure you have one to keep warm in winter! We have plenty the new Crew Socks in stock, so make sure you pick up a pair. Also, we have lovely YCW Headbands to keep that hair off faces while playing netball. If anyone has any second hand bodysuits that they wish to sell, please have them passed onto myself. Uniforms are available for sale every Wednesday night at training, between 4.15-5.15pm, or call me on 0419-516191 to make alternative arrangements.

TREASURER

Neil Cripps

Thanks to the parents who paid the balance of their fees since the last newsletter. There is still nearly \$400 overdue; it would be appreciated that the outstanding amounts be paid immediately, unless I have agreed to a payment plan.

On Sunday 12th July the club held a fund raising BBQ at Bunnings in Car-rum Downs. With a few dedicated parents we raised over \$400 for the club.

COACHES

We are currently seeking coaches and assistant coaches for the 2016 season. Don't worry if you don't know too much about netball, we will train you. We are seeking enthusiastic and dedicated parents to coach their child's team or any team as a matter of fact. Please see Jo or Hannah or contact us via email.

UMPIRES

Hannah Williams

I am trying my absolute hardest to get umpires through the lower grades as quickly as possible so that all of my waitlisted umpires can begin umpiring on Saturday's. We now have Chelsea umpiring ladies inside nearly ready for er badge, Ambr soon to begin umpiring inside afterschool comp. Brydie is on U/13B, Steph U/13B, Ella H U/15CR, Ashlie U/11A, Joanne U/11C, Lili U/11CR and Kirralee on Nettas. Amanda, Angela, Kiannah and Tess still on the waiting list. Remember you have to come to training and keep posted on facebook for any new updates or cancellations.

I try my hardest to change grades for Saturday games but it is not always possible so please be patient with me as I try to get the game times that suit us.

TEAM REPORTS

U/11 Black

Hannah Williams

These girls are showing their versatility at the moment. I am very proud of every single one of them for your persistent effort and determination. We started off with a killer game against Karingal which with positional and combination changes saw us not score as many goals as we had hoped in the second half. However the girls continued to play a great game and had the best determination I have seen all season. The girls have begun to do the cardio warm up with the big girls and are tired afterwards but enjoying the warm up. We have worked on blocking and defense recently and I am overjoyed with the amazing defense by this team. WOO!

U/11 White

Brigitte Johnson

Throughout July U11 White stayed undefeated in C reserve, with our highest scoring game an 11 – 3 victory over Somerville. This is a fantastic achievement and it has greatly improved our confidence. With our opponents in U11 C reserve generally being shorter, at training we have been focusing on dodging to get in front of our players and throwing accurate shoulder, chest and bounce passes to our team mates (not lobs!) At the beginning of the past few training sessions we have also been joining the U13s, U15s and U11 Black doing cardio, which all the girls seem to be enjoying and benefiting from. We have also welcomed a new player, Lauren, to our team. Congratulations on your first game Lauren!

U/11 Yellow

Dee Sacco

Yellow team are really combining their skills and have had two games ending in a draw which is fantastic. We are continuing to rotate positions and learn the different skills associated with each position. The girls are learning fast where they can and cannot go when they change positions during the match, this takes awhile to learn but we are getting there. A lot of netball is still to be played so we need to make sure we get to training to practice all these valuable skills and to make it fair with players having a 1/2 game on Saturdays. Keep up the great work girls and keep practicing your goal shooting at home.

U/13 Black

Michelle Burnett

The girls are really getting to know the rules and their positions. It's great to see the improvement in them all. Chloe and Tyler are doing a fantastic job in defence. Bridie, Sabrina and Jazmyn are getting better at converting our goals. Our centre court players Rachael, Diviya, Shelby and Katherine are moving our ball better to our shooters and helping in defence.

Our fitness is improving week after week. Everyone needs to come to training we still have a lot to learn. So keep listening and giving it our all. Keep up the great work girls!

TEAM REPORTS

U/13 White

Jo Matthews

The girls are working hard and as a result they are having some fantastic games of netball. It is important not to rest on the work done to date but to keep working hard and get the most out of each and every game to finish off the season well. These girls work fantastically as a team and their support of each other and display good sportsmanship towards other teams and officials. We had some switching of positions with the goalers going into defence and vice versa which surprisingly worked very well. The continued consistent efforts of the mid court players assists in the great results this team is achieving. Keep striving to better your best girls and LETS DO THIS!

U/13 Yellow

Michelle Burnett

The girls are having a fantastic season I am very proud of you all. We need to work on our passes, looking at where we throw the ball. It's great to have a team where most of the players can play anywhere on the court. I am lucky to have a great group of girls they all listen and follow through with everything I ask of them. They work extremely well together as a team. They motivate each other really well. We are sitting second on the ladder but we have a lot of hard games over the next few weeks. So I need you all at training and games with 100% focus. We got this girls, we can do it. Go YCW!!!

U/15 Black

Leanne Quinlan

Well the girls have been amazing this season we will be training harder than ever to get ready for finals time. More fitness and ball skills and playing as a team which they have been doing beautifully. A big thanks again to all the ongoing support from coaches and parents and of course the girls well done we have a lot of work to do with some tough matches coming up but I know we can do this !!!!!

U/15 White

Jo Matthews

WOW WOW and triple WOW. When these girls click into gear watch out. The girls work hard on second and third attempts and their never ending drive to keep pushing themselves is reflected in their great results over the past weeks. These girls have shown great character in turning their season around and with continued focus could surprise themselves! Each and every week the girls acknowledge the areas they need to improve and work hard to achieve their goals. Keep up the hard work girls, utilise the fitness and skill work at training and most of all never give up! Well done!

TEAM REPORTS

U/15 Yellow

Liz LaFontaine

With a break for school holidays the girls were a little slow getting back into the rhythm of playing. First game back the girls played well but lots of silly mistakes and their throws didn't help, and we were unable to get across the line. The next game against Mt Eliza was a very strong hard fought game with it being even most of the game. Unfortunately a coaching error with position change let them get in front and we were unable to pull back the score (lesson learned coach!). Girls are still working really well together and play very well as a team. Remember voices need to be loud and arms up to create height. Good luck for the next few weeks.

U/17 Black

Neil Cripps

During July we had two very close games, a win and a loss.

The U17's are currently 3rd on the ladder and with 4 rounds left and only 2 points separating 1st and 5th place we need to focus on tightening up our defence and passing the ball to each other when we are under pressure.

The team is working well together moving the ball around the court. Thanks to all the parents and supporters coming down to watch the game and cheering on the team.

Senior Black

Hannah Williams

Nikki and Jas make the best combination in the goal ring assisted by Anita, Mikayla and Brooke in the centre court. Bec, Madi and Sophie put up an awesome defense, jumping for every single rebound and slowing the play down when we get a bit carried away with getting it to our goalers. After the holidays we came back to defeat Carrum who were sitting second and knocked them out placing us in second. Then an even tougher game, we played Somerville who are sitting first on the ladder and we finally concurred our three quarteritis outscoring our opposition to win against them. I am so proud of how you all play each week and the effort and enthusiasm you bring to the court. Keep up the amazing effort and teamwork girls. Finals here we come!!!!

Senior Yellow

Jo Matthews

Well what can I say – we all knew that we were ace now everyone else is catching on. The team has come together well especially with the inclusion of our new gun shooter Laura. Each and every week consistent efforts from our brilliant defence in Brigitte, Bridget and Amanda produce great results. Our mid court players and goalers Mon, myself, Amy, Laura, Suede and Kendra tear up the attack. It is a real thrill being part of this team as we always have a laugh whether it be at ourselves (mostly) or with the opposition – each and every game is enjoyable. There was some controversy this week with our team manager Jeff overriding the coaches positioning but lucky for him it paid off! We need to stay focused, have fun and most of all keep working as a team all the way to the finals. Watch out Senior Black we are on your tail.....Great effort ladies keep it up
