FDNA VOLUNTEER AWARDS

Each year we nominate club volunteers for the FDNA Volunteer Awards. This year we nominated Neil Cripps for Administrator, Lee Quinlan for Coach, Margaret Osborne for Badged Umpire, Amber Vela-Monett for Assistant Umpires and Chelsea Cooper for Forest Netball Club.

A big congratulations to Chelsea Cooper who won the Forest Netball Club award for the most involved junior across the association. Chelsea began umpiring at the beginning of the 2013 season. After a setback due to injury which put her back to square one, she developed a whole new confidence in umpiring. By the end of the 2014 season she was umpiring both Thursday and Friday night competitions. This year Chelsea has continued on the same track towards getting her badge by umpiring ladies competition on a Tuesday night. She has also been of much assistance to FDNA by umpiring squad tournaments and umpiring weeknights whenever she is needed. Not only has Chelsea been umpiring frequently for FDNA but she has always been available to umpire whenever needed for the YCW Netball Club. Chelsea umpires for many Saturday clubs when they are in need of an assistant umpire and always umpires with professionalism. Chelsea is always enthusiastic about umpiring and always wanting critiques and feedback. Chelsea has proven to be a huge contribution to the YCW Netball Club as an umpire and as a great support to her team mates and fellow umpires. She has also been a great role model and supporter for the new assistant umpires as well as supporting our umpire's supervisors with mentoring the new assistants. Chelsea is most definitely an asset to the YCW Netball Club and we look forward to seeing her receive her badge, hopefully by the end of 2015.

TERM 4 AFTER SCHOOL TEAMS

We are entering term 4 teams in the after school competitions at FDNA. We have currently filled a Year 7/8 team but are still looking for players to fill the following sections on the following days:

Year 3/4 — Wednesday — Coach: Hannah
Year 5/6 — Monday — Coach: Jo
Year 7/8 — Friday — Coach: Jo

The season runs for 10 weeks (8 for Friday nights excluding finals) starting the first week of term 4 (5th of September). It is a great experience for all players and is socially and keeps all players fit during the off season. If any players have friends that are considering joining netball in 2016, ask them if they would like to see how they go before committing to a full season.

Please contact Jo Matthews via text or email (no phone calls during business hours) on 0412 401 405 if you or your child are interested in playing.

PRESIDENTS REPORT

Jo Matthews

It was a sea of yellow and black from sun up to sun down on Saturday 12th September, 2015 as it has been for much of the season. When I arrived at the Jubilee Park on Saturday I was nervous and excited. It became obvious that this feeling was shared by many others at the courts. With six teams in the Grand Finals, the day promised to be action packed and it didn't let us down. It was non stop YCW from the FDNA presentations first thing in the morning to the last game(s) of the day at 3:30pm.

In the end we had three victorious teams on the day but really all of our teams have been winners this year. Whether your team made it to the finals or not all of players can be very proud of their efforts in 2015. From our little under 11's to our Seniors, YCW has had a fantastic season, a result of hard work by everyone involved and our members supporting each other as one big team.

Although we are one of the smaller clubs in the Association we have proven that we are as competitive as the bigger clubs and have a lot to offer to our members. Our players this year have continued to develop their skills individually and as a team.

The 2015 season started in August last year with our committee busying themselves to ensure that our recruiting, coaching, procedures and uniforms would meet the expectations of our members and I can confidently say I think that we exceeded those expectations and in fact threw a few more changes into the mix.

We are very lucky to be members of a club that has stood the test of time and I was reminded of this by the presence of four of our life members at the Courts on Saturday there to cheer us on. Every time we put on the uniform or wear the club colours we are representing all members of the club from 1961 to present and that is a great honour.

I have been quite proud to receive comments from other clubs on the success that we have had this year. I have also received comments from umpires throughout the finals season on how well our girls played and the great sportsmanship displayed. This has become YCW's point of difference and we must always aim to uphold these qualities for our great club.

There are many lessons to be taken away from this season which we use to make the club stronger in 2016. The one that springs to mind immediately is that we need a bigger venue for our presentation night and I thank all those that attended and made it a great night - apologies for the tight squeeze. Congratulations again to all those that received awards on the night and for those that didn't there is 2016 so stay with it and work hard.

It is always a little sad when the season ends as we all spend so much of free time together during the season and friendships are formed. Some of these friendships will stay with you for many years so remember that YCW is a community, a family if you like and I look forward to seeing each and every one of you in 2016 for what should be another good year.

"A trophy carries dust. Memories last forever." – Mary Lou Retton (Olympic Gold medallist - Gymnastics)

Have a Merry Christmas and Happy New Year.

GO YCW - WE GOT THIS!!!!

UNIFORMS

Kerry Cooper

We are extremely happy to see such a great club representation in our uniform this year. We are desperately seeking second hand bodysuits in good condition for resale. You will get money back for reselling your bodysuit. Plenty of Hoodies in stock! Make sure you have one to keep warm in winter! We have plenty the new Crew Socks in stock, so make sure you pick up a pair. Also, we have lovely YCW Headbands to keep that hair off faces while playing netball. Any enquiries please feel free to call me on 0419-516191.

TREASURER

Neil Cripps

We have had a busy year. We increased our income this year by \$10,380 which is due to player fees, uniform and fundraising. We did operate at a small loss this year but we did purchase new coaches bags, balls and many more uniforms due to our influx of new members. Our main costs were court fees, team fees, uniforms and umpires fees. We currently have a bank balance of \$8,097.60.

COACHES

We would like to thank all of our coaches for the 2015 season:

Jo Matthews
Hannah Williams
Dee Sacco
Brigitte Johnson
Michelle Burnett
Lee Quinlan
Liz LaFontaine
Neil Cripps.

If anyone is interested in coaching next year or assistant coaching please see Jo or Hannah.

UMPIRES

Hannah Williams

A big thank you to all of those umpires who umpired throughout the season and who attended umpire training. We have found umpire training very helpful this year and we look forward to picking it up again next year. Well done to everyone.

A big congratulations to Chelsea Cooper for getting her C grade badge at the end of August. Chelsea has showed nothing but determination and persistence with her umpiring and we look forward to her umpiring as a badged umpire for the YCW Netball Club. Chelsea has also been assisting both Marg and myself with the training of the assistant umpires and we are very grateful. Thank you Chelsea.
