PRESIDENTS REPORT

Jo Matthews

Its hard to believe that we are already at the business end of the season and finals are just a few weeks away.

I am sure that parents/guardians will be grateful to get back their weekends and perhaps even a sleep in on Saturday mornings. We appreciate the commitment of our parents to the club and without such dedicated members our club would not be as successful as it is. So a BIG thank you to every MUM, DAD, GRANDMA, GRANDPA, SISTER, BROTHER, AUNTY OR UNCLE and anyone who ensure that the players get to training and to game day; much appreciated.

Our coaches this year have been absolutely fantastic. Each year we rely on volunteers for our coaching staff and it is a massive commitment with training and game day and everything in between. There is a lot of work that goes on behind the scenes with our coaches in preparation for training and organisation on game day. I hope that our coaches have found this season rewarding and look forward to hopefully seeing you all again next season. WELL DONE COACHES!

The next few weeks are the busiest for our wonderful committee and most of us on the committee also coach and play so please bear that in mind if you see us sitting in a corner rocking and talking to ourselves—just smile and wave LOL! Our committee works tirelessly to ensure that our club is current and moving in the right direction to maintain its place within the FDNA competition and the support that we have received with all involved with our club this year has been very encouraging. THANK YOU.

And now to our players.....each year brings us new players, new personalities, new challenges and a range of skill sets. As I walk around the courts each week I can say that all those wearing our colours do so with pride and respect for the uniform. The players demonstrate great sportsmanship and dedication to their game and team. This attitude will serve those in finals well and remember that YCW plays their game not the oppositions. I wish all teams in finals the best of luck, work hard at training, listen to your coaches and ENJOY! WELL DONE PLAYERS

For those teams that did not make finals DON'T STRESS - I promise you there is always next year and what you have learnt this year will serve you well next season.

Thanks again for another great year all! Jo xxx

SENIOR PLAYERS ON THE MOVE.....

This year YCW has entered a seniors team in the Mildura Netball Tournament in September. As you can imagine this comes at some cost to the players travelling to Mildura, accommodation and food etc. So with this in mind we will have some fundraising tins located in the tent this week for gold coin donations towards sending our players to Mildura. We thank you in advance. GO YCW!

UMPIRES

Hannah Williams

This has been a season like no other. We are currently finding ourselves with too many trainees that require harder games. Joanne, Ella, Lili and Millie are all umpiring seniors and are on the indoor rosters (or soon to be) in preparation for their C grade badge. Caitlyn and Shinaye (also working indoors) are working hard to umpire the U/15 sections, whilst Erin is progressing well with her supervisor, Ashlie to work her way to the top section of U/13s. Sommer has just begun to umpire with us half way through the season and is eager to get back to umpiring after a few weeks off. Eleanor has also started her training, already progressing to the lower U/13 sections. This week sees a new trainee step on to the court in white with Taonga umpiring for the first time. I would also like to thank all of our badged umpires (Brigitte, Molly, Ashlie, Chelsea and Amber) as well. Umpiring is a very criticised job but they always umpire with passion, knowledge and confidence. Lastly I would like to thank our fantastic supervisors; Brigitte, Molly and Ashlie. They put a great of effort into training the next generation of umpires to be bigger and better, providing them confidence, knowledge and enthusiasm. Please remember to thank all of our umpires when you see them around this week as the game we know and love cannot operate without them. From the bottom of my heart thank you to my fantastic umpires.

TEAM REPORTS

U/11 Black

Kendra Donaldson

I am so amazingly proud of this incredible gp of girls. The improvement i see each week is wonderful & everyone who watches sees it as well. I'm happy to say we have moved on from the basics of netball & are working more on game-play type training eg staying back to go forward, though to the basics such as footwork & passes which are still definitely important. We've had a few wins, a

U/11 White

Michelle Burnett

This has been a fantastic season for u11 white. The girls have come a very long way. We have had a few girls leave but also gained some new players, which the girls adjusted to very well. Every week we put our best game on the court using the skills we have been learning. The girls have been brilliant in playing every position on the court. Every player has scored a goal this season. With only a few games left we will continue to play every position to help improve our strengths & weaknesses & giving everyone a chance to try all positions. The girls have formed a great bond & it shows on the court. I am pleased to say every player has improved a great deal. The change from the start of the season to now has been amazing to watch. Keep up the good work. Thank you to all that have helped, I really appreciate it.

Hope to see you all next season

U/11 Yellow

Bianca Rickard

A change in grade has suited us much better. Now with 8 wonderful young ladies we are enjoying getting a lot more of the ball and a couple of wins.

The girls have quickly picked up the basics of the games and now know all the positions as well as finding their favourites. They are a great little team and much fun to coach.

U/13 Black

Isabel Grcic & Kiera Geddes

Its almost the end of the season & we have seen so many dramatic improvements from day one to now. The girls have really come together as a team, working the ball down the court beautifully, passing strong & defending well. Not only has the team improved both independently & cooperatively, but the team spirit and encouragement is sensational!!! What's most exciting about being coaches is seeing the players enjoying themselves and just being excited to be here and play the game. The girls have achieved much more than expected and we are thrilled no matter the outcome for the remainder of the season.

TEAM REPORTS

U/13 Grey

What a determined bunch of girls you are, you have all turned up to training weekly, you have all listened to new ideas and given every game your all. What a massive improvement from all of you. Stephanie, your catching and throwing skills have by far improved. Lakshmi, what a great GD you have become. Elysia, you are my little super star centre. Aleira you are doing extremely well in goals. Liesel, you are my all rounder I can put you in any position and you work hard. Danica, you improve with every game you play. Sommer, great GK this year with your height. Charlize, you have really learnt some great skills. Bridie last of all you have improved hugely with your shooting skills and moving around the goal ring. It has been a great pleasure to coach you girls, I am so proud of each and every one of you and hope to see you all back next year as you will all make great netballers in the future.

U/13 White

Makalei Hickey

I am very proud of the girls as we haven't had the best season but you have all pushed through and never given up. The girls have all come very far as players this year. Bonnie & Tilly have done great work as team leaders encouraging everyone on the team & being the voice on the court. Thank you to Maddi, Mya, Alesha, Charli, Ella, Caitlin, Bonnie, Brianna, & Tilly for always putting in 100% effort onto the games although we have had very tough competition. At the start of the season we welcomed Brianna to our team & she has become a great addition to the team. I hope you all continue to play next season. Thank you girls for a great season you have been an amazing team to coach you should all be proud of your efforts.

U/13 Yellow

Kerry Cooper & Kerrie Oliver

This team has gained so much confidence with their passing of the ball & each other during the season. They are finding space and working the ball down the court beautifully. This has transitioned onto some lovely netball and a few nice winning performances. The girls should be very proud of themselves.

Keep up the great work

U/13 Black

Brooke Low & Sophie Keon

As the season is coming to an end it's a great pleasure to say that the girls have learnt so many new skills that have clearly been on display on the courts. The girls have been putting in a lot of effort during training which is paying off as they have just had their 2nd win for the season. Even though they have only won 2 games the scores have not reflected how much they have improved on things such as finding space and reading the game. Overall they have all learnt how to work as a team which is fantastic to see.

TEAM REPORTS

U/15 Grey

Lyll Berkelmans

My girls have had a tough season but i can see that they have improved tremendously as the season has gone along. Training is going well with consistency with girls showing up which is vital for the team to be able to work together come game day.

Unfortunately we want be making finals but we have done our best always giving 100% on game day.....WELL DONE GIRLS

U/15 White

Jo Matthews

The girls have been working hard towards the finals series. Unfortunately, we have some injuries and absences which has left a short for a couple of weeks and we are very grateful to those girls from U15 Yellow that have filled in for this team to ensure that the finals berth is not jeopardized. We have a very dedicated group of girls in Kealey, Kaela, Elise, Jessica, Ruby, Heidi and Daniella and they have worked hard all season at training and at tournaments we have entered and they should be very proud of the results so far. The girls are a pleasure to coach, showing respect to each other and to me and understanding that they are a team and must work together to get the good results. The girls are readily asked to play positions outside of their comfort zone and do so without complaint and to the best of their abilities. The flexibility these girls have shown has been a solid reason why we are currently sitting 2nd on the ladder. We must continue to stay razor focused leading into the last few games to ensure that all the hard work is put to good use to maintain a good ladder position for finals. SO PLEASE if there are any UTU-BERS in town go away - I need the girls present at training and Saturdays and focused! LOL (not) Well done girls – I'm very proud of how well you have done so far this season. WE GOT THIS!

U/15 Yellow

Dee Sacco

As the season heads towards Finals the girls have been working really hard to maintain top stop on the ladder.

Inconsistent training for some throughout the season has made game day set play hard to follow at times.

We have seen Ruby out for 6 games due to injury which has allowed Lili and Abbey to become defenders in their own right and have done a fantastic job. Lili has also been sharing the role of Centre with Chloe which has allowed fresh legs each quarter.

We have seen a few role position changeups over the past few weeks with Ella Humphreys defending and Ruby shooting goals. This has been abit of a challenge whilst the girls found their comfort zone but they are doing a great job.

Time now to focus on maintaining our intensity, and staying pumped to achieve our end goal.

Some of the girls have injuries so please make sure you are looking after yourself & resting & stretching at home.. I am always around to help you

PROUD OF YOU ALL GIRLS

“WE GOT THIS”

TEAM REPORTS

U/17 White

Jo Matthews & Michelle Burnett

Well despite several absences and injuries we still manage to pull off wins and maintain 1st position on the ladder up until Somerville knocked us off by one point in Round 10. We still sit comfortably 2nd on the ladder so need to continue to focus on our game and working as a team to ensure we stay 2nd if not 1st on the ladder. The girls, Brydie, Kirra-Lee, Angela, Flynn, Lauren, Ella, Emily and Nikita have adapted well to fill ins and we thank all of those girls that have whipped on a bib to ensure we have put seven bodies on the court, although I have to say that these girls can work with 5 or 6 on the court just as confidently as having a full team on the court which is a great reflection of their flexibility in positions and fantastic team work. The girls have been lucky to have both myself and Michelle coaching this season and I feel very lucky this season to have a team of great girls that come to netball to play, take instructions easily, continue to work on their skills and work so well as a team – it has made my job a lot easier. Keep up the excellent work girls – WE GOT THIS!!

U/17 Black

Hannah Williams

These girls continue to surprise me each week. They have stepped out on the court every week showing me and their supporters and they play their own game of netball. We may not always come out victorious but the girls are playing some good quality netball in a tough A grade competition. The score rarely reflects the effort these girls put on the court. They are applying what we have been doing at training and have found that fitness is an area for improvement. Well done girls I am extremely proud of how you have come together as a team and applied new skills.

Senior Grey

Jacquie Scholtens

Senior Grey are having a great season, we have had a few ups and downs with Mel Flaskis breaking a finger and Kerrie out for 6 weeks with broken ribs after a player from an opposite team ran into her, we have beaten the odds and are now sitting second on the ladder with a good run into finals. A few of us have been sick or away on holidays but we are all back on track and ready to roll. Just wanted to congratulate our whole team on such a great effort, we work so well as a team and all get along well. A big thank you to Peter our team manager keeping us on our toes with his positive attitude. Good luck girls we can do this.

Senior Black

Molly Farquharson

Senior Black is as of round 13, and in the B reserve section. We've had an up and down season with quite a few injuries & illnesses resulting in a team that's not been at full power for most of the season. Nikki Donlan & Laura Foley have proven themselves to be a formidable team in goals. Caity Tilders has worked very hard in centre court, always offering leads up and down the court and feeding into the goal circle. Tilly Hammill and Jas Heenan have really stepped up and become integral parts of the team. Celine Joseph continues to make strides in her defensive capabilities. In the lead up to finals we are hoping to win our last few games in the home and away season to solidify our spot in the top four.

TEAM REPORTS

Senior Yellow

Neil Cripps

The players have remained competitive during the season in B grade, however this has not been reflected in the outcomes of the games.

During the season we had Danielle join the team which has been great, unfortunately a disappointing not Abbey Cripps tore her ACL and will not be able to play out the season or next year.

Senior White

Jeff Cooper

Well the season is well under way and we know who our opposition is now, and what needs to be done to get to the top. Our defence has been excellent and we have so many options, midcourt has also been very good, giving our shooters so many opportunities. Our shooters just need to be patient, there has been some real improvement, and our efficiency has gotten a lot better. Other than one quarter this year that I can think of, I feel that we have been giving our best every game. Also with the edition of another player (after Hannah's injury) its helping with rotations in mid court and shooting. All looks good for the rest of year lets just get a rhythm going. Big thanks to the team manager (Lili) and the supporters as well.

CONGRATULATIONS

At YCW we are very lucky to be able to participate in a few of the tournaments that are run throughout the year at different venues. Tootgarook tournament was in June where we took 2 U/15 teams and 1 U/13 team. Both U/15 teams managed a couple of wins throughout the day and we watched the 13s head into the grand final coming runners up to Banyule. Recently was the FDNA tournament in which we entered 1 U15 team. The girls played 10 game winning 2 and drawing 1. The tournaments are a very long day but great experience for the girls. A huge thank you to the coaches because without them we wouldn't be able to offer the girls this experience.
